

The Sunbelt Senior Professional Golf Tour was founded in 1996 in Myrtle Beach, SC by PGA Life Member, Don Barnes. The original goal was to provide playing opportunities for quality senior golfers, contribute to local charities, make an economic impact in smaller communities, and provide positive publicity for its sponsor/partners and it remains the same today.

Several hundred tournaments have been conducted since the inception with all tournaments played in the greater Myrtle Beach area over the first three seasons.

Since that time, tournaments have expanded into Florida, Georgia, Alabama, Tennessee, Mississippi, Ohio, West Virginia, Pennsylvania, New York, New Jersey, North Carolina, South Carolina, and Cancun, Mexico.

**Over \$5 million has been paid in professional purses.
Over \$4 million has been raised for various charities.**

GOLF, WITH ALL ITS DELIGHTFUL CHALLENGES, IS THE FOCUS OF COLUMBIA HILLS.

[View our Membership Packages](#)

Our top-rated 18-hole, par 71 championship course is one of the area's finest. Course designers intertwined Columbia's gentle but challenging hills with the West Branch of the Rocky River to produce a beautiful course, where nature is subtly manicured but never overwhelmed. The natural rhythm of the terrain is enhanced by beautiful gardens and mature trees which cannot be duplicated.

Our support facility is serious to what golf requires - on staff PGA instructors, practice greens and chipping areas, a pro shop featuring golf world's finest equipment and a Junior golf program that produces pros - Columbia Hills is golf at its finest. But Columbia Hills is more than golf.

Centered around a recently remodelled nearly 90 year old Tudor clubhouse, a full social calendar and family activities fill the year. Informal dining is available in our indoor or outdoor patios, as well as in our cozy Pub. Formal dining is offered in our main dining room while members are welcome to use the Ballroom and meeting rooms for their private parties.
